

Instructions for [Form MO-1NR](#)

Who Must File

The Income Tax Payments for Nonresident Individual Partners or S Corporation Shareholders (Form MO-1NR) and the Statement of Income Tax Payments for Nonresident Individual Partners or S Corporation Shareholders (Form MO-2NR) are filed to report Missouri withholding for nonresident partners and shareholders.

Partnerships and S corporations are required to withhold Missouri income tax for nonresident individual partners or shareholders who do not meet one of the exceptions below. Limited liability companies that are treated as a partnership by the IRS are also considered a partnership for Missouri tax purposes.

A partnership or S corporation is not required to deduct and withhold Missouri income tax for a nonresident partner or shareholder if:

- The nonresident partner or S corporation shareholder, not otherwise required to file a return, elects to have the Missouri income tax paid as part of the partnership's or S corporation's composite return;
- The nonresident partner or S corporation shareholder, not otherwise required to file a return, had Missouri assignable federal adjusted gross income from the partnership or S corporation of less than twelve hundred (\$1,200) dollars;
- The partnership or S corporation is liquidated or terminated, income was generated by a transaction related to termination or liquidation, and no cash or property was distributed in the current or prior taxable year.
- The nonresident partner or S corporation shareholder has provided the partnership or S corporation with a completed Partnership or S Corporation Withholding Exemption Agreement ([Form MO-3NR](#)), and such agreement was filed with the Missouri Department of Revenue (Department) on or before the due date of the partnership or S corporation return.

Due Date

Form MO-1NR and Form MO-2NR must be filed and the tax paid by the original due date or extended due date for filing the partnership or S corporation income tax return. An extension of time to file the partnership or S corporation return automatically extends the time to file and pay the Form MO-1NR. If you are filing under an extension, please select the box on the front of the form.

NOTE: Form MO-1NR, payment and a copy of the Form MO-2NR must be filed with the Department either before or at the same time the partnership or S corporation provides a copy of the Form MO-2NR to the nonresident partner or S corporation shareholder. Failure to do so may result in the Department disallowing the withholding claimed by the nonresident partner or S corporation shareholder.

Determining How Much to Withhold

The amount of tax to be withheld for tax year 2023 is 4.95 percent (0.0495) of the partner's or shareholder's share of Missouri source distributive income, or the tax withheld may be determined based on Missouri withholding tables if the partner or shareholder submits a Missouri Withholding Allowance Certification ([Form MO W-4](#)). Missouri source distributive income consists of those items on an individual's K-1 schedule that are used to arrive at federal adjusted gross income as apportioned or allocated to Missouri. The Missouri source distributive income of partnerships is the net total of the amounts listed on Lines 1 through 11 of the Nonresident Partnership Form ([Form MO-NRP](#)). The Missouri source distributive income of S corporations is the net total of the amounts listed on Lines 1 through 10 of the S Corporation Nonresident Form ([Form MO-NRS](#)).
